

## **J. Michael Alexander**

### **PROFESSIONAL EXPERIENCE**

Mr. Alexander is a Managing Consultant at AEA Group where he provides consulting services to clients involved in complex disputes and business challenges. He has experience in the areas of valuation services, investigations, lost profits and other damages determinations in connection with investigating allegations of fraud, investigating claims of accounting-related professional liability, determining the sources and uses of funds by reconstructing accounting records, and assisting attorneys with many phases of the discovery process, including identifying the types of information needed to develop expert opinions. He has served clients across a diverse series of heavily regulated industries, including banking, insurance, construction & real estate development, manufacturing, and energy. Mr. Alexander has led teams engaged in the evaluation of thousands of business lost profits claims related to a complex class action settlement.
